Saturday, October 11, 2008

Pittsburgh Post-Gazette

A Pittsburgh-area family will receive a visit and a new house from the TV show "Extreme Makeover: Home Edition" this month.

Developer Montgomery & Rust Inc. has been asked to work with Ty Pennington and the program's designers to build a house in a week for one of five deserving local families. Construction will begin shortly after the family and location are announced Oct. 17. Montgomery & Rust is seeking volunteers and donations for the project.

Artists studios tour

More than a dozen Lawrenceville artists will open their studios for free tours from noon to 5 p.m. today and next Saturday. For a list and map of the studios, go to these Butler Street cafes -- Dozen, Coca, Crazy Mocha and Perk Me Up -- or on the Web at [www.lawrencevillecorp.com/events](http://www.lawrencevillecorp.com/events).
